

GOURMET DAY SAILING

We depart from Split waterfront (Riva) at 10h (October at 9h) and cruise to islands Solta, Brac or Ciovo depending on the weather conditions, usually visit one of the island villages and later anchor in some nice bay where you have time for leisure and snorkeling, we have masks and snorkels on the boat. Our chef prepares light Dalmatian lunch for each tour separately with fresh ingredients, indigenous Croatian eco-wines will be served on the boat (if you have any allergies or diet restrictions please let us know). On the way back we usually sail to Split as we have western wind Maestral almost every day in the summer, we will be back in Split around 17h (October 16h). Our boat has been constructed by sailing professionals for regattas and full sailing experience.
